

Focus More on Your Financial Future

Self-reliant investors need reliable investment solutions to succeed in today's volatile market environment. And they want low-risk investment strategies to accomplish their long-term goals.

Direct Investing gives you an innovative, focused approach to investing. It promotes a secure environment where you can invest according to specific recommendations and follow the fortunes of your portfolio choices.

Whereas many financial publications bombard with confusing, short-term investment information, *Direct Investing* gives specific, reliable investment advice that has been proven to produce positive performance, even during bear markets! The performance of our recommended stocks* has been outstanding.

Companion to *The Moneypaper* publication, each issue of *Direct Investing* features one of six exclusive portfolios you can use as models for your investments, allowing you to spend less time on making your investment

- ◆ Focused, Low-Risk Strategies for Reliable, Enhanced Investment Guidance
- ◆ Unbiased Investment Recommendations from Executive Editor David Fish and Michael Burke of *Investors Intelligence*
- ◆ Important News Updates, Featured Stock Tracking, and INVEST% Calendar (Our Specialized Contrarian Tool for Calculating DRIP Investments)
- ◆ Specialized Online Access to Extended Investment Content

decisions and more on finding new opportunities for financial growth.

With The Moneypaper Inc.'s *Direct Investing*, you are never alone in your investment decisions. Our newsletter is designed to give you specific, accurate, investment advice, ensuring your peace of mind while investing.

Direct Investing is a twice-monthly publication and part of The Moneypaper Inc.'s suite of investment solutions—each of which plays an important role in your investment life cycle.
