I (we) have read and agree to the Terms of the Temper Enrollment Service (printed on back). I (we) hereby authorize Temper Enrollment Service to help me (us) become enrolled in the direct investment plan(s) (DRIPs) of the companies indicated above. I (we) authorize each company and its transfer agent, if applicable, to enroll me (us) in the full direct investment plan(s) of each company. I (we) authorize Temper Enrollment Service to stipulate that all cash dividends be reinvested in the plan(s) listed above-including dividends on any shares I (we) might purchase outside the plan(s).

My (our) purpose for becoming enrolled is so I (we) can make subsequent investments directly through the company-sponsored plans. No other use of my (our) name(s) is authorized. I (we) certify, under penalty

of perjury, that the Social Security number or taxpayer identification number provided on this form is valid and that I (we) am (are) 18 years of age or older.

I (we) certify under penalty of perjury, that (we) am (are) authorized to transact business on behalf of the entity becoming enrolled in the DRIP plans listed above. I (we) understand the provisions of each relevant plan and that I (we) conducted our own research as to the merits of investing in such a plan. I (we) understand that portfolio growth depends on my (our) ability to make future optional cash investments once the account is open and that growth based on reinvesting dividends from the share(s) to open the account will be minimal.

(Please check the appropriate boxes in the "Important Information" above and sign here) X _____ Date _____

Please attach a copy of your government-issued I.D. to this form, otherwise we will not be able to process your order.

Important Information

1. Please understand that the purchase of the single share is not in itself an investment. The value of the share resides in its making you qualified to join the DRIP.
 2. You may order the minimum number of shares required to join the plan, which is generally **one** share. Some companies require more than a single share. Companies that we accept that require more than a single share are shown in a box on the reverse.
 3. Orders are accepted until the last business day of the month and shares are purchased during the following month (to allow for your checks to clear). Shares will be purchased through a broker/dealer or through our accounts at the transfer agents.
 4. **Non-Refundable Cushion:** The firm requires a 10% cushion over the price of the stock. That cushion is intended to protect the firm against an upward movement in the cost of the stock before the transaction is executed.
 5. It is our policy to only accept orders for the minimum number of shares required to qualify for enrollment in the DRIP (generally **one** share). Therefore, a 10% cushion would likely result in a tiny refund. The firm does not refund this cushion except in amounts of \$25 or more, unless we receive an individual request for a refund, which we may execute as a matter of courtesy.
- I have read the entire content as listed above and consent to all as herin listed.
- I disclaim any rights I may have to any dividend that may be issued during the period when the share (usually a single share) still resides in the account of the enrollment service while awaiting action by the transfer agent to open an account in my name. By checking this box and signing below you have indicated this authorization.

If you wish to order DRIP Club membership please enclose a separate check for: \$129 12-months or \$79 6-months. This will establish the Club Membership with Moneypaper Publications LLC, an affiliated company.

A. The Enrollment Service is not responsible for the quality of your choice of investments, nor is it responsible for the operations of the company or its direct investment plan. The Temper Enrollment Service acts as Principal to execute your orders.

Although the situation does not arise often, a company may file for bankruptcy and/or discontinue its plan after the shares you ordered were purchased. Under those circumstances, you will be charged the amount that was paid for the stock on your behalf and a certificate for the shares will be sent to you. However, if your order can not be executed for any reason, you will be sent a full refund.

B. The Securities and Exchange Commission requires that all broker-dealers advise customers of the broker's practice with respect to payment for order flow. Payment for order flow includes any monetary payment, service, property, or other benefit that results in remuneration, compensation, or consideration to a broker-dealer from a broker-dealer.

Temper does not receive any payment for order flow.

C. Temper closes its Order Entry system on the last business day of the month. In order to provide the service we purchase shares after the 3rd of the following month (to allow time for all checks to clear). The DRIP enrollment process should be completed within two to four weeks of the company investment date (or if purchased through the transfer agent).
